

REACH STATEMENT
Regulation (EC) 1907/2006

Statement Issue Date: July 21, 2024

Products Covered: All products manufactured by RF-Lambda USA LLC unless the product is specifically stated otherwise.

Background

In June 2007, the European Union Regulation (EC) 1907/2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) was first released. The regulation came into force on 1st June 2007 and established European Chemical Agency (ECHA) which manages the Technical & Scientific aspects of REACH. This Regulation establishes specific duties and obligations for companies in the European Union (EU) that manufacture or import substances on their own, in preparations, or in articles. <https://echa.europa.eu/>

Declaration

RF-Lambda is constantly monitoring the substances of very high concern (SVHC), in our products. Our products do not contain Substances of Very High Concern above the threshold value declared by ECHA mentioned in Candidate List. <https://echa.europa.eu/candidate-list-table>

RF-Lambda will endeavor to appropriately update or modify this REACH Compliance Statement should any changes occur in the composition of our products or the REACH regulations, including the addition of any substances to the SVHC Candidate List.
